18th April 2018

Dear Breakfast Club Parents,

Welcome back to School for the Summer Term.

In the interests of safeguarding (and building independence with our pupils), could I please politely remind you that children are to be accompanied into the hall only in a morning, but no further into school. If children need assistance hanging up coats or bags, Breakfast Club staff will be happy to help.

If you need to speak to a member of staff or hand in forms or money not related to Breakfast club, please do this at the Reception window in the foyer. The School Office is not staffed before 8am, so if you are dropping off at 7:45am, please leave any forms or money with Breakfast Club staff.

Thank you for your co-operation to keep our pupils and School safe.

Yours sincerely,

Tom Garner
Head Teacher.
